

Dear Pacific Flips Families,

We hope this email finds you enjoying a fantastic summer! While it seems summer has just begun, we are fast approaching the Paris Olympics and a return to school. The beginning of fall classes here at Pacific Flips is around the corner and an Olympic year means our most popular times will be bursting at the seams. As such, we wanted to take a moment to share some important information regarding registration and exciting plans for the upcoming school year beginning August 1, 2024 at Pacific Flips.

Summer Break: We want to remind you that we are **closed** for all classes and camp next week, **July 22-28** for our summer break. There was an extra week in July & August, so no make-ups are needed for this closure.

Summer Camp: Before we dive into fall, let's not forget about our exciting Summer Camp, running until August 9. It's a fantastic opportunity for athletes returning to regular classes or anyone after taking some time off. Shake off the rust and come back full speed ahead! You can register for as little as one day of camp! You can sign up through your Parent Portal or by calling or emailing us.

North to South: Our next North to South competition is coming up! Classes start in September and the meet will be Sunday, December 8. We hope to see a lot of gymnasts participate! More information coming mid August.

CLASS INFORMATION BELOW – PLEASE READ TO END

Your Spot Is Secure: We want to assure you that if your child is currently enrolled at Pacific Flips, there's no need to register again for the fall. Your child's spot is secure. However, if you wish to make any changes to your preferred days or class times for the school year, please reach out to us, and our team will be more than happy to assist you. Currently enrolled students have priority on switching classes and claiming open spots. Some of the schedules at all 3 gyms will have some small changes made, your location will reach out to you if this affects your child's time slot.

Annual Tuition Increase: Our annual tuition increase will be in effect August 1, 2024. The new prices will be listed on our website. (Competitive team already changed, so no changes in August)

Updated Tuition Policy: Tuition fees are posted to your account on the 1st day of each month. All families are required to have a valid credit card on file with Pacific Flips. Autopay will be charged on the 3rd of each month. Alternative forms of payment will be accepted till the 10th of the month. If your payment is declined and collection attempts are unsuccessful a late fee of \$10.00 will be added to your account on the 11th of the
