How to Play Outer Space Bingo:

To play Outer Space Bingo, you will need:

- Paper markers or Small candy

Directions:

- Print the [Outer Space bingo cards](#) on letter size paper, and cut them along the outer rectangles. Finished size of each bingo card is 5x7 inch, so two bingo boards will print on letter size paper.
- Distribute the bingo cards among the players. There are total of 10 bingo boards.
- If you need more cards, it is best to play in smaller groups or break the play into different rounds.
- Print the calling card and cut out the small cards.
- Put them in a bag or hat.
- Start playing by having one person pull out a small card out of the bag or hat and call it out or by showing the picture on the card.
- Players look for that picture on their bingo card. If they find the similar card, they cover it with the small candy or mark it off with the paper marker.
- Continue pulling out the small cards from the bag or hat one at a time.
- Once someone cross off five in a row, they shout out BINGO and win that game.
- Space in the center is Free space.
